An overview of RP

Research Design

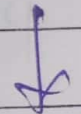

Research Proposal preparation

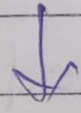

Data Generation & Collection

Data Analysis / Results / Findings

Assessing Goodness of findings

Research paper writing / Paper Presentation

English

★ Research proposal.

(1) Introduction

(2) → Review of related literature.

(3) → Research question

(4) → hypothesis

(5) Research design

(i) specify which data to be collected

(ii) Procedure to collect data.

(iii) How data will be analysed?

(6) Conclusion.

★ Concept paper format :-

(1) Abstract

(2) Introduction

(3) Specification of the theory :

(4) Discussion

(5) Conclusion

(6) References

Variables → Measurable indicators
↓
